

WUCHIE

ELECTRONIC PRESS KIT

BIOGRAPHY

Finnish-American artist, singer-songwriter, record producer, and musician Uuchie is making a significant impact on mainstream pop culture with her fierce, metaphorical, dark, and edgy tracks. Her unique sound, style, and appearance are unparalleled, and her commanding vocal range distinguishes her as a standout in the industry.

While pop is her primary focus, Uuchie transcends traditional genre boundaries, refusing to be confined to a single category. Originating from the picturesque landscapes of Finland, she honed her skills at the prestigious Sibelius Academy in Helsinki, mastering classical music before captivating the global stage. Driven by an unrelenting desire to push her creative limits, Uuchie is a dynamic force in the music scene, continually evolving and expanding her artistic horizons.

She captivates audiences with her powerful vocals, seamlessly blending genres such as pop, rock, dance, reggae, dancehall, soul, funk, electronic, R&B, cyberpunk, synthwave, blues, punk, disco, trap, rap, EDM, and her own innovative creation: a supersonic, retroactive, sixth-dimension, thunderous drum-banging genre known as liquid. Uuchie is not merely an artist; she is a transformative force, redefining the boundaries of music.

CAREER HIGHLIGHTS

Uuchie's single "Yummy Yummy" was prominently featured on Rhythm 105.9 FM in Sacramento, CA, as part of the mainstream Top 40 in 2017. In 2019, she gained substantial recognition with extensive blog placements for "Yummy Yummy" in digital magazines across the United States, as well as in the UK's Ravers Heaven magazine. In August 2025, Uuchie successfully secured a trademark for her name with the United States Patent and Trademark Office. She released her latest pop, rock, and dance single "I Made A Mistake" in July 2025 directly on her website, amassing over 1.8 million views on Instagram within two weeks. Uuchie is also the owner of her own record label, Capri Taur Entertainment, where she has appointed Elijah Saint as her manager and co-producer.
